

Parent Information Session

Reading in the Early Years For Reception and Year One Parents

Tuesday 7th March 2017
9am to 10am
Chevalier Centre

At Immaculate Heart of Mary School (IHM) our commitment is to journey together with families in all domains of our students' school life. Shared understandings between home and school are fundamental to developing a common language and meaningful communication between the two learning environments. This session aims to inform and share key supportive learning practices that serve to empower and contribute to developing positive and successful readers.

This session will cover the topics:

- IHM Home Reading Guidelines
- Factors that influence learning
- Specific strategies for parents to use at home – (tool kit)

Please complete the slip below and return to your child's class teacher. If you should have any queries please direct them to your child's class teacher or myself. I look forward to meeting you!

Mary Sapio
LITERACY SUPPORT COORDINATOR
