From the Principal

Please let me know if you have any questions or comments in relation to the report. The report will be tabled at our AGM which briefly follows the Wine and Cheese Parent Forum.

I'm looking forward to seeing many of you at the Welcome Wine and Cheese/Parent Forum tonight where you have a chance to hear about and contribute to future directions of the school as we begin developing our new Strategic Plan for the next four years.

We are thrilled to present an animation of Stage One of our Building works from Edge Architects, showing the exciting upgrades to the physical spaces in our school. We are hoping that the build will begin in the holiday break in April.

For those who cannot be present, the ideas sheets will be displayed after the forum, in the foyer near lost property and you are welcome to add to the lists or let Annette or myself know your ideas/thoughts.

Advanced notice of new Mobile Responsive Website and Newsletter Change

We have been working on upgrading our website so that it is more easily accessed through mobile devices. In the next few weeks, the new website will be launched and with it our newsletter will become electronic in form only. You will be notified of the release of each fortnight's newsletter through the school stream app as usual, however you will notice a difference in the format. This new format will provide ease of access and of course without printing it is more ecologically friendly practice.

Have a wonderful couple of weeks, I hope you get to enjoy some of Adelaide's Arts festivities!

Best wishes,

Pauline Kinsman

PRINCIPAL

From the Assistant Principal

Lent commenced last week on Ash Wednesday which we began with an Ash Wednesday Liturgy. Due to COVID, ashes were sprinkled on children's and adult's foreheads rather than a sign of the cross marked with the ashes on the forehead.

As we make our forty-day journey through Lent, we prepare for Easter. Our focus during Lent is our relationship with God and others. Lent is a journey of self-discovery, a time to reflect on the direction our life is taking.

There are many ways we can prepare ourselves during Lent to demonstrate our intentions to God. Prayer, Fasting and almsgiving are the traditional ways we prepare. Living simply, remembering those in need and being kind to others and taking on some project are other ways we can focus our mind on what is important and what it is we want to prepare ourselves.

Safe Parking

REMINDER - SAFE PARKING AROUND OUR SCHOOL

We would like to remind our families about the importance of parking safely around our school.

There has been an increasing amount of inappropriate parking especially in Drayton and East Streets. Parents have been double parking and not allowing traffic to get through and also parking across driveways.

KISS N DROP ZONE

A specific reminder about **NOT PARKING** in the Kiss n Drop area in front of the school - you **MUST NOT LEAVE YOUR CAR**, this area is only for dropping off and picking up children. Please be considerate about other families.

As a courtesy to our neighbours and for the safety of our children we ask that you please only park in designated areas and observe parking restrictions at all times. The local council frequently patrol the area, so please be aware that fines will be issued for any parking infringements.

LAP Volunteers

We are looking for volunteers to support our Learner Assistance Program (LAP). Volunteers support a child 1-1 to develop their self-esteem and confidence and involves a commitment of 15-30 minutes per week for a term at a time. The program is a rewarding experience for both adult and child.

If you are interested in finding out more about becoming involved in this worthwhile program, please contact the Office.
